

Go Eco!

We are participating in a new fundraiser – GoEco! By purchasing fantastic eco-friendly products for your family, friends, home and even your pet, you can help us raise money – and protect the planet!

GoEco! The Ultimate Eco-Fundraiser is a year-round, online fundraiser. There is no deadline and nothing to turn in. Simply use the link below to browse and purchase eco-friendly products for yourself or as gifts. Our school/organization will automatically receive up to 40% of the retail price of your purchases! It's really that simple.

Here's how it works:

1. Go to www.dwellsmart.com/GoEco00044

This is our organization's unique URL. Only purchases made using this URL will be credited to our account. Please use only this URL to make purchases as purchases not made through this URL will not be credited.

2. Purchase eco-friendly products for you, your home, friends and pets
3. Products will be shipped directly to your door
4. Up to 40% of the retail price of your purchases will automatically be credited to our organization's account
5. Help us spread the word! Send our unique URL above to friends and family and encourage them to purchase products
6. Feel good about helping us and the Earth!

St. Michael's will earn up to 40% of the retail price of all purchases made using our organization's unique URL. Our earnings will automatically be credited to our organization's account. The percent earned will vary by product and can change without notice:

- 40% of featured items (*Featured items will regularly change. DwellSmart has discretion to determine what items will be featured.*)
- 5% of building and remodeling items (*These items appear within the building category on the DwellSmart website.*)
- 0% of sale items (*This includes items purchased using discount codes, promotions, or special offer coupons.*)
- 20% of all other items
