Turkey Trot Starts November 12

Parents,

Please complete the TADS application this week. It is for next year's funding and we need everyone counted and supported through the Archdiocese.

Remember to keep your assigned conference time to pick up first quarter report cards and meet with your child's teacher this week.

Thank you to those who worked the thrift store this weekend. Total sales were \$910.00.

The carryout breakfast was a success. We sold 73 delicious meals. Thanks to all those that helped make this fundraiser a success.

We are in need of substitutes for our teachers and staff if you think this would be something you would be interested in please contact Mrs. Hayes at Nichole.Hayes@saint-michaels-school.org

We are in need of canned Lysol spray. Please if you can send in a can or two with your child, we would appreciate it.

PIE News

The PIE committee is looking for additional members as well as Executive committee members. We are in need of a President as well as a Treasurer. The PIE committee is responsible for coordinating our Fundraising events. We have monthly meetings to discuss upcoming events and planning. If you are interested in becoming a member please email smsvolunteers01@gmail.com . We would love to have you help support our wonderful school!

Thrift Store

We will begin taking donations on Saturday's only from 10am to 1pm by APPOINTMENT ONLY! Folks will need to call and set up an appointment to drop of donations. With that being said we are in need of additional volunteers for this task. Volunteers who work Saturday will simply assist folks with dropping off their donations. We will then have volunteers for Sunday who will sort and distribute the donations around the store. We have precautions in place to keep everyone safe. We are leaving #'s on the outside of the front door and asking everyone to take a # as they enter and return it to the front desk as they are leaving so we can control the number of people in the store at any one time once all the #'s are gone we ask that they wait until one becomes available. We also have a automatic hand sanitizer stand located at the front door and ask that everyone who enters sanitize their hands. We changed the flow of our checkout so that there is not a bottle neck at the front door.
