For your Information

Picture dates have changed to October 22-2020,
December 3-2020 will be the make up date.

Please complete the family survey <https://www.surveymonkey.com/r/J7HKVK2>

ONLY 40 families have done the survey. Families that participate in free & reduced lunch program must have this data entered at this time to qualify.

Dear Parents:

You are always welcome at our 9AM Friday school mass. You will need to wear a mask and social distance. This week 6th grade will be planning the liturgy. **We do NEED each family to complete the Family Survey on line as soon as possible. This information is needed in order for us to keep our programming and grant funding status.**

Calendar adjustments: The St. Mary's County Fair was cancelled on **September 25th**. They are having food wagons on the Fair grounds. We have many students show and sell their animals. We are hoping families are able to participate in the on line Fair Day "Busting Out of the Barn" virtual opportunity. We do not know how this will work but hope your children will be able to enjoy the livestock shows and other events sent virtually by the Fair committee on that day. This event is an excellent introduction to our Farm to school week learning activities 10/5-10/9.

We have **October 30th** marked as a scheduled day off. We wish to have school for a half day (12:30 dismissal) with students participating in fun non-scary activities, wear their costumes and maybe even trick or treat, if we can follow all rules and figure it out. (Help is appreciated in coming up with **what** and **how** we could be safe and enjoy the day.)

The virtual Fair day learning activities, and attending school on October 30th provides us with the opportunity to have **November 23rd and 24th** off of school for a long Thanksgiving break. This will allow families more time to be with their families in which they may have been separated from for so long.

Gratefully yours,
Mrs. Hofmeister
